MINUTES

Mission: Eliminate HCV in San Diego County by 2030

Purpose: To coordinate the implementation of the plan to eliminate HCV in San Diego County by 2030, with the overarching targets:

- 80% decrease in the incidence of chronic HCV by 2030, and
- 65% reduction of HCV mortality by 2030.

Participants: Natasha Martin, Sam Tweeten, Ryan Clary, Andrea Tomada, Carrie Farrell, Lisa Asmus, Megan Johnson

May minutes:

The May minutes were approved unanimously.

Update from Dr. Martin:

Dr. Martin and her consultant are finishing up and submitting their model of looking at HCV among people living with HIV. They are reviewing that model to include capturing broader HCV data in the County.

One outstanding piece of data is looking at treatment rates. They are gathering additional information through analysis of the care cascade.

Eliminate Hepatitis C Task Force
