

## Eliminate Hepatitis C Task Force

### Steering Committee

July 1, 2022  
11:00 AM – 12:00 PM  
Via ZOOM

### MINUTES

*Purpose: To coordinate the implementation of the plan to eliminate HCV in San Diego County by 2030, with the overarching targets:*

- 80% decrease of incidence of chronic HCV by 2030, and
- 65% reduction of HCV mortality by 2030.

Attendance: Patrick Loose, Robert Lewis, Andrea Tomada and Scott Suckow

Topic/Lead	Discussions/Reports	Follow-Up
Welcome	Meeting Called to Order @11:02	
Update: Annual Report Update & BOS Memo	The annual report has been submitted to the COR and will be uploaded to the shared drive. The process for the BOS Memo was discussed. (Dr. Wooten, to Nick Macchione to Helen Robbins-Meyer, then to Board of Supervisors)	Scott to upload report to website.
Update: Prescription Data for UCSD Modeling Project	Dr. Martin made a request for data on morbidity and prescription information. County was exploring if information could be used via the HIV data source. This source had a price associated with it.	Patrick to explore further.

<b>Update: Article in San Diego Physician</b>	Scott is working with Dr. Wooten, Dr. Ramers, Dr. Dunford and Dr. Schwarz on the article. A back-up for Dr. Ramers, who is out of the office, is Dr. Robert Gish with La Maestra.	Scott is coordinating with all for a successful submission.
<b>Review: Status of Committee</b>	Andrea shared that committees were moving forward, however, the treatment committee needed support. The group suggested pharmacists, medical practice administrators and treatment centers as suggestions. Rick Nash, patient advocate, was being brought back into the process.	All to recruit more members with lived experience.
<b>Discussion: Any Adjustments the Task Force Needs from the Partnership Convener for FY Ending 6.30.23</b>	It was determined it would be good to schedule an additional meeting to review and include the COR.	Andrea to schedule the meeting.
