<ul style="list-style-type: none"> • Funding for testing • CMO Health Partners meeting • 	<p>providers. The County is not receiving this information. Andrea asked if they could set up a way for the information to be forwarded to us.</p> <ul style="list-style-type: none"> • The consensus was that we should continue to push forward. Scott will be requesting funding now that the new year has opened. • Meeting with CMO's will be virtual. We have between 15-20 minutes to present our information. 	<ul style="list-style-type: none"> • Scott to request before the next meeting. • Dr. Tweeten or Andrea to report after presentation
<p>New Business:</p> <ul style="list-style-type: none"> • WHO HCV elimination targets • CDPH/AB 789 education 	<ul style="list-style-type: none"> • Natasha Martin reported that model is not totally accurate since it does not account for migration. We do have a large immigrant population. If they have been diagnosed within the last year, they are not reported as new. Most likely needs to be reported and monitored. Dr. Tweeten said we can report on other states and/or counties. • No update. 	<ul style="list-style-type: none"> • Dr. Martin to follow-up with Dr. Tweeten.
<p>Next meeting:</p> <p>Wednesday, January 25th, 2023 @ 11:00 am</p>	<p>Items for discussion:</p> <ul style="list-style-type: none"> • Should we change the mortality goals? • Due to the natural history of disease, we are not going to see mortality shift by 2030. Can we come up with a methodology that shows progress?
